

### ENGLISH WORLD IS THE ULTIMATE IN INTENSIVE LEARNING!

#### Why you should be excited about our new English World course:

- It's a complete course with 25 hours of lessons per week which means more practice time for your clients
- It's a more effective course – 1 hour long sessions have proven that students focus better and progress faster
- It's a unique and distinctive programme created by Regent's Academic team which means the course is not dependent on standard course books
- It has inspirational content designed to transform your clients' learning experience which means it will have an immediate impact and a lasting effect on their lives and careers

#### What our teachers say about the programme:

*'We are really excited about our new English World course! The course really enhances our students' learning experience, giving them the opportunity to work towards their future needs. One hour classes mean students remain focused for the duration of the lessons and the introduction of Knowledge for a Global Community component gives them the opportunity to talk about more mature and topical issues using authentic materials.'*
